

Togi

**CT-65S**

Individual feed-through terminal block - Togi / Toyogiken (CT series) - M6 screw-clamp connections - 1-pole feed-through (1P) / 2-wires (1 screw + 1 screw) - Black - 76mm width - 90A rating - for 8mm<sup>2</sup>...22mm<sup>2</sup> conductors / for #8AWG...#4AWG conductors - Rated voltage 660Vac / 660Vdc - DIN rail mounting

## Specifications

Marque principale	Togi
Marque secondaire	Toyogiken
Fonction principale	Terminal
Nom de la gamme / famille de produits	CT series
Nom de la sous-gamme	CT[]- 65S
Fonctions	Individual feed-through terminal block
Pôles	1-pole feed-through (1P)
Distance	19mm pitch between connections
Courant nominal	65A (UL/CSA) 65A (14mm <sup>2</sup> ) 90A (22mm <sup>2</sup> )
Couleur	Black
Capacité de connexion	2-wires (1 screw + 1 screw)
Tension nominale (CC)	660Vdc
Tension nominale (CA)	660Vac 300Vac (UL/CSA)
Type de connexion	M6 screw-clamp connections
Section	for 8mm <sup>2</sup> ...22mm <sup>2</sup> conductors for #8AWG...#4AWG conductors
Mode de montage	DIN rail
Hauteur nette (mm)	40.5 mm
Largeur nette (mm)	76 mm 50 mm

**Statut du produit chez le fabricant** Commercialized

---

**Conforme aux normes** RoHS  
UL  
CSA

---

**Couple de serrage** 2.5...3.7 N.m

---
